

How can I fix the Windows Update error code 0x80073712?

Run Windows Update Troubleshooter

1. Select Start (Windows Logo) > Settings > Update & Security > Troubleshoot.
2. Select **Windows Update**, then select Run the troubleshooter.
3. Allow the troubleshooter to run and then answer any questions on the screen.

However considering you have already purchased Restoro and would like us to assist you in doing that utilizing a remote session, please contact our support and they will be happy to help you.
