

How to add a shortcut to a website as an app

For Windows, Linux, and Chromebook users, you can add a shortcut to a website on the internet as an app in Chrome.

- Open Chrome.
- Navigate to the website you want to add as an app.
- At the top right, click MoreMore.
- Click More Tools.
- Click Create shortcut.
- Enter a name for the shortcut and click Create.

However considering you have already purchased Restoro and would like us to assist you in doing that utilizing a remote session, please contact our support and they will be happy to help you.
