

How to change font size in Google Chrome?

1. Launch Google Chrome. Click on Menu (3 dots) on the upper right corner.
2. Select Settings.
3. On the left side, select Appearance.
4. Scroll down until you see "Font size". Select your preferred font size from the drop down.

If you encounter some difficulties following the steps above, considering you have already purchased Restoro or you are someone who is in need of assistance on your computer, please contact our support and they will be more than happy to assist you.
