

How to clear browsing history in Google Chrome?

1. Launch Google Chrome. Click on Menu (3 dots) on the upper right corner.
2. Select History > History.
3. On the left side, select "Clear browsing data".
4. Select the time range of the browsing history you want removed.
5. "Cookies and other site data" and "Cached images and files" are optional.
6. Click on "Clear data"

If you encounter some difficulties following the steps above, considering you have already purchased Restoro or you are someone who is in need of assistance on your computer, please contact our support and they will be more than happy to assist you.
