

How to customize your Microsoft Edge toolbar with buttons?

1. Open Microsoft Edge.
2. Select the three dots (...) in the upper-right corner of your browser window to open the main menu.
3. Open **Settings**.
4. Scroll down to the **Appearance** section and select **Customize toolbar**.
5. Add or remove buttons from the toolbar by moving the toggle switches next to each option.

However considering you have already purchased Restoro and would like us to assist you in doing that utilizing a remote session, please contact our support and they will be happy to help you.
