How to fix "This webpage has a redirect loop" or "ERR_TOO_MANY_REDIRECT S" in Google Chrome?

You'll see this error when the page has tried to redirect you too many times.

Sometimes, pages don't open because cookies aren't working correctly. To fix the error, try clearing your cookies.

Clear all cookies

Important: If you remove cookies, you're signed out of websites and your saved preferences could be deleted.

1. On your computer, open Chrome 🌐.
2. At the top right, click More ⋮ › Settings ⚙.
3. Click **Privacy and security** › **Cookies and other site data**.
4. Click **See all site data and permissions** › **Clear all data**.
5. To confirm, click **Clear**.

However considering you have already purchased Restoro and would like us to assist you in doing that utilizing a remote session, please contact our support and they will be happy to help you.
