How to fix Microsoft Copilot Preview and Microsoft Edge Bing Chat not working?

If you're experiencing issues with Microsoft Edge, resetting it to its default settings may be something you're considering.

1. Click the three dots in the top-right corner and then click on "Settings"
2. Click on "Reset Settings"
3. Click on "Restore settings to their default values"
4. Click "Reset"

However considering you have already purchased Restoro and would like us to assist you in doing that utilizing a remote session, please contact our support and they will be happy to help you.
