

# How to use the PC Health Check app for Windows 11

- In Windows, use Search on the taskbar to search for “PC Health Check,”
- Select it from the list of results
- If a PC Health Check update is available, you can quickly install it for the latest version from this link: <https://www.microsoft.com/windows/windows-11#pchealthcheck>

*However considering you have already purchased Restoro and would like us to assist you in doing that utilizing a remote session, please contact our support and they will be happy to help you.*
