What to do if the font in Windows 11 is too small or too big?

1. Open **Settings** on Windows 11
2. Click on **Accessibility**
3. Click the **Text size** tab
4. Use the "Text size" setting to make the system font smaller or bigger on Windows 11
5. Click the **Apply** button

If you encounter some difficulties following the steps above, considering you have already purchased Restoro or you are someone who is in need of assistance on your computer, please contact our support and they will be happy to help you.
