

Windows Installer pop up

This can be fixed by restarting the Windows Installer service, please do the following:

1. Press Windows + R then type services.msc
2. In the list, right-click Windows Installer, and then click Properties.
3. In the Startup type drop-down list, check that the value is set to Manual.
4. Click on Restart and wait for the process to finish
5. Restart the PC

If you encounter some difficulties along the way, considering you have already purchased Restoro or you are someone who is in need of assistance on your computer, please contact our support and they will be happy to help you.
