

Windows Update Error Code 0x800f0922

This error can occur when you have an outdated .NET Framework. To install the latest version, please do the following:

1. Go to Search Box
2. Type Control Panel and select Programs and Features
3. Select Turn Windows Features On or Off.
4. Check all boxes related to .NET Framework
5. Restart your computer

However considering you have already purchased Restoro and would like us to assist you in doing that utilizing a remote session, please contact our support and they will be happy to help you.
